

## Green Product Award 2022 and Green Concept Award 2022 Nominee Announcement and public voting beginning

Berlin, December 13th - the Green Product & Green Concept 2022 Nominees are announced and the public voting starts. From a total of 1500 submissions from 54 countries, the top 100 green products and top 100 green concepts are awaiting your vote.

Since 2013, the international **Green Product Award** has been honoring products and services from start-ups and established companies that stand out in terms of design, innovation and sustainability. With the **Green Concept Award** - in cooperation with the IKEA Stiftung - students and graduates are supported to turn their concepts into successful green business models.

The voting for the **Green Product & Green Concept Audience Award 2022** winner takes place until **January 31<sup>st</sup>** (last year 60000 votes were counted). The voting is - as the awards - international with NO registration. The public voting and jury winners will be revealed at the annual Award ceremony in March.

The Awards are presented this year within 12 categories of Architecture & Tiny Houses, Building Components, Consumer Goods & Body Care, Fashion, Interior & Lifestyle, Kids, Kitchen, Mobility, New Materials, Sport and Workspace.

## Green Future Club

Under the claim 'Let's design the future', the Green Future Club aims to contribute to a future where all products are sustainable. The association sees its mission as bringing together a diverse group of pioneers, thinkers, doers and visionaries to promote the sustainable development of materials, products and services. With the Green Product Award and Green Concept Award, the club has been making 'best practice' examples accessible to a broad public on an international level since 2013 - for more visibility of products, services and concepts that are to inspire consumers and industry globally. The Green Future Club is a global network that is constantly expanding - through new members and multipliers, growing online and face-to-face events, and multi-faceted action. <https://www.greenfutureclub.com>
